

<b><u>Context: Artist/Culture/Concept Behind the Artwork</u></b>	<b><u>Skills:</u></b>
<b><u>2 Strengths:</u></b> •  •	<b><u>2 Weaknesses:</u></b> •  •
<b><u>A Problem Encountered:</u></b>	<b><u>How you Solved This Problem:</u></b>

	<b>Exceeds 4</b>	<b>Meets 3</b>	<b>Partially Meets 2</b>	<b>Does Not Meet 1</b>
<b>Composition</b>	Exemplary use of principles in a unified composition, excellent use of space.	Planning is evident, good use of space.	An attempt to use space well, more than 50% negative or 'dead' space, visual discord.	Lacking visual organization, poor planning; some areas of the composition are clearly 'in progress'. <b>Project Incomplete</b>
<b>Media, Techniques, and Processes</b>	Accomplished use of tools and associated processes and techniques, new skills mastered and incorporated.	Proficient use of tools, processes, and techniques, new skills evident.	Novice use of tools and associated processes and techniques, attempt at new skills.	Sloppy and haphazard, inadequate evidence of understanding tools and associated processes and techniques. <b>Project Incomplete</b>
<b>Completion</b>	Clearly completed in all aspects, exceeds expectations. All criteria have been thoroughly met.	All criteria are met but not 'finished', Some aspects of the piece could have been pushed further	Obviously incomplete - at least one criterion has not been met.	Evidence of minimal effort - several criteria were not met. <b>Project Incomplete</b>
<b>Creativity and Problem Solving</b>	All parts fit in an aesthetic and original manner, interesting details and evidence of original thinking	Competent work, attention to details and some original thinking is evident	Little attention to finishing details, moderately successful, minimal evidence of originality and creative problem solving.	Finishing details and presentation are neglected or missing, no effort in terms of creative problem solving, quality, or originality <b>Project Incomplete</b>
<b>File Management</b>	Excellent management. Files are properly named, formatted and stored in appropriately named folders. Source images are also saved in a sub folder.	Good file management. Files are properly named, formatted and stored in appropriately named folders.	Fair file management. Files may be properly named but not stored in the proper folder or may be in the proper folder but not properly named, or are the wrong format	Poor file management. Files are not properly named or formatted and not in the correct folder. <b>Project Incomplete</b>
