Welcome to the art room!

As your teacher, it is my responsibility to create a safe, positive environment for you to attempt new mediums, develop your skills, express your feelings and to discuss your own art as well as that of the artists and cultures that we may study.

As an art student, it is your responsibility to show up, ready to create and learn in a positive and respectful manner.

To assist you, I have listed 5 areas that will make this year a success!

1. Be Prompt.
2. Be Prepared
3. Be Positive
4. Be Productive
5. Be Patient

These guidelines are posted on your table in more detail!

Consequences

Tardy 3x is a detention.

Misbehavior will warrant a warning, then phone call/e-mail and detention.

Misbehavior for a substitute teacher = an automatic detention.

Any bullying incidents will be dealt with and consequences will follow district policy.

Grading

Assignments are done mainly in class. Extra time is worked in to assist those who have been absent or are behind.

Extra credit work is not given.

Your work is graded on

how well you met the lesson objectives

use of class time

effort and persistence

work turned in with name and class on back of work.
