Progress Check	Progress photos were consistently uploaded on time.	Most Progress photo were uploaded on time.	Progress photos were consistently uploaded late.	Most progress photos were not uploaded.	
Composition & Creativity	Pieces are cut/ripped to small appropriate sizes, shapes and are arranged thoughtfully. Care has been taken to balance the colors and textures across the page and to represent the details in the photograph.	Most pieces are cut/ripped to small appropriate sizes, shapes and are arranged thoughtfully. Some care has been taken to balance the colors and textures across the page and to represent the details in the photograph.	Most pieces are not cut/ripped to small appropriate sizes, shapes and are not arranged thoughtfully. More time and care could have been taken to balance the colors and textures across the page and to represent the details in the photograph	Pieces are too large and not the appropriate sizes to represent the details in the picture. Minimal time and effort was taken when creating this piece.	
Craftsmanship/ Neatness	Pieces are glued neatly and securely. Background paper doesn't show through any gaps. Project is neat and fully complete	Pieces are glued somewhat neatly and securely. Background paper hardly shows through any gaps. Project is mostly neat and fully complete	Most pieces aren't glued neatly and securely. Background shows through many gaps. Project is messy and/or incomplete	Pieces very messily and haphazardly glued down. Background shows through many areas. Project is very messy and/or incomplete	
Requirements	Pieces are layered and show depth, foreground, middle ground and background. Final artwork closely resembles the look and feel of the photograph.	Most pieces are layered to show depth, foreground, middle ground and background. Final artwork resembles the look and feel of the photograph.	Pieces are not layered too well to show depth, foreground, middle ground and background. Final artwork barely resembles the look and feel of the photograph.	Pieces are randomly assembled, no depth is represented and artwork does not resemble the photograph at all.	
Final Project	Project was turned in on time with with clear, well lit and cropped photo	Project was turned in 1-2 days late / or photo was not clear or contained other items around it	Project was turned in more than 2 days late/or photo was not clear or contained other items around it	Project was not turned in at all - Zero for entire project grade
