

Name: _____
Class Period: _____ Date: _____

Medieval Illumination Letter

Circle one from each category:

Participation/Productivity:

- 0-I did not participate on the project.
- 1-I participated a fraction of the time during the project.
- 2-I participated for half of the project.
- 3-I participated every day, but had moments where I was off track and had to be reminded to get back on task.
- 4-I participated fully every day, taking advantage of all time given for the project.

Use of the Paper/Composition:

- 0-I did not fill the paper with a letter.
- 1-I did not plan my composition well and left a large portion of the paper unfilled.
- 2-I could have drawn my letter larger and left some of my paper unfilled.
- 3-My letter was a little too small, but I compensated by using the rest of the paper to fill with details of medieval type images.
- 4-My letter filled the paper and used the space of the paper well.

Attention to Detail/Ornateness:

- 0-I have no details.
- 1-I have a few details.
- 2-I have half of my paper detailed.
- 3-I have most of my paper detailed.
- 4-I have all of my paper detailed.

Overall Appearance of Color/Presentation:

- 0-There is no color.
- 1-There is a small amount of color.
- 2-Half of the paper is colored.
- 3-Most of the paper is colored.
- 4-All of the paper is colored and neat.

Total of above points: _____ X 6 = 's _____ (total possible points 96)

Add total points + 4 points if your name (first and last) and class period is on your project. Name must be legible and neat.

Total Project Grade: _____
