| Composition | Exemplary use of principles in a unified composition, excellent use of space. Exact spacing is present between alternating strips of two dichotomous photos on each artwork. Elements are arranged in a manner that demonstrates care and pre-planning. | Planning is evident, good use of space. Even spacing is present between alternating strips of two dichotomous photos on each artwork. Elements are arranged in a manner that demonstrates care . | An attempt to use space well, more than 50% negative or ‘dead’ space, visual discord. Uneven spacing is present between some alternating strips of photos on each artwork. Elements are not arranged in a manner that demonstrates care | Lacking visual organization, poor planning; some areas of the composition are clearly ‘in progress’. Uneven spacing is present between nearly all alternating strips of photos on each artwork. Elements are arranged in a sloppy and haphazard manner The Project Is Clearly Incomplete |
| Media, Techniques, and Processes | Accomplished use of media and associated tools and techniques, new skills mastered and incorporated. | Proficient use of media and associated tools and techniques, new skills evident. | Novice use of media and associated tools and techniques, attempt at new skills. | Sloppy and haphazard, inadequate evidence of understanding media and associated tools and techniques. The Project Is Clearly Incomplete |
| Completion | Clearly completed in all aspects, exceeds expectations. All criteria have been thoroughly met. | All criteria are met but not ‘finished’, Some aspects of the piece could have been pushed further All pieces are neatly matted with an even border and clearly placed name tag. | Obviously incomplete - at least one criterion has not been met. All pieces are matted but borders are not even and/or there is no name tag | Evidence of minimal effort - several criteria are not met. Some or none of the pieces are matted. The Project Is Clearly Incomplete |
| Creativity and Problem Solving | All parts fit in an aesthetic and original manner, interesting details and evidence of original thinking | Competent work, attention to details and some original thinking is evident | Little attention to finishing details, moderately successful, minimal evidence of originality and creative problem solving. | Finishing details and presentation are neglected or missing, no effort in terms of creative problem solving, quality, or originality The Project Is Clearly Incomplete |
