

Watercolour Cut-Outs

Materials needed: Watercolour paper, watercolour paints, scissors, marker, glue

STEP 1: Paint 3 sheets of watercolour paper.

STEP 2: Once completely dry, draw your pattern onto two of the sheets with marker

STEP 3: Cut out each of the pieces.

STEP 4: Position the cut out pieces onto the background.

STEP 5: Once you are happy with the positioning, glue down each of the pieces.

Great work!

Before submitting your art work to be marked ensure you have gone through the check list.

Is your art...

___ CREATIVE

(unique, detailed, interesting)

___ NEAT

(careful, clean, precise)

___ COLOURFUL

(harmonious, balanced, purposeful)

___ COMPLETE

(all space filled, directions followed, consistent)
