

# UNDERSTANDING HOW TO BALANCE YOUR PAGE

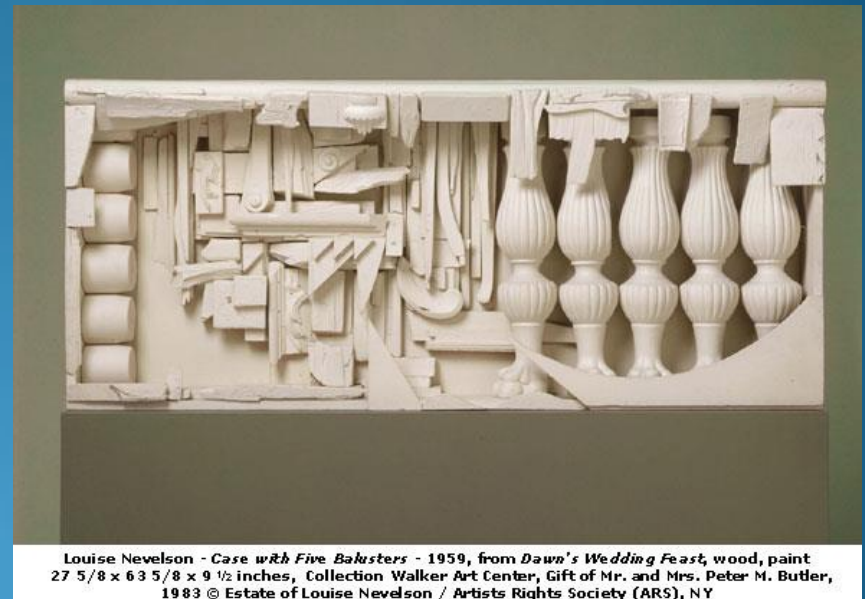

WORKSHEET 7

## BALANCED ART

This piece is balanced by putting the noisy spot mostly in the middle and the quiet areas reach all edges of the paper. There are no areas left untouched.

## BALANCED ART

This noisy spot in this piece is off center and this is balanced with the pattern on the right being larger and more prominent than the pattern on the left. There are pieces reaching all edges and the space is filled.
