Art I Colored Pencil Techniques & Color Theory Review

This assignment is a Formative (20%) grade. Students may not progress to the summative assignment until they have demonstrated proficiency. Scribbling, wimpy coloring, poor blending, and coloring outside of the lines is unacceptable.

Using only the PRIMARY COLORS (red, blue, yellow), complete the spectrum below.

Red	Orange	Yellow	Green	Blue	Indigo	Violet

Warm Colors

--	--	--

Cool Colors

--	--	--

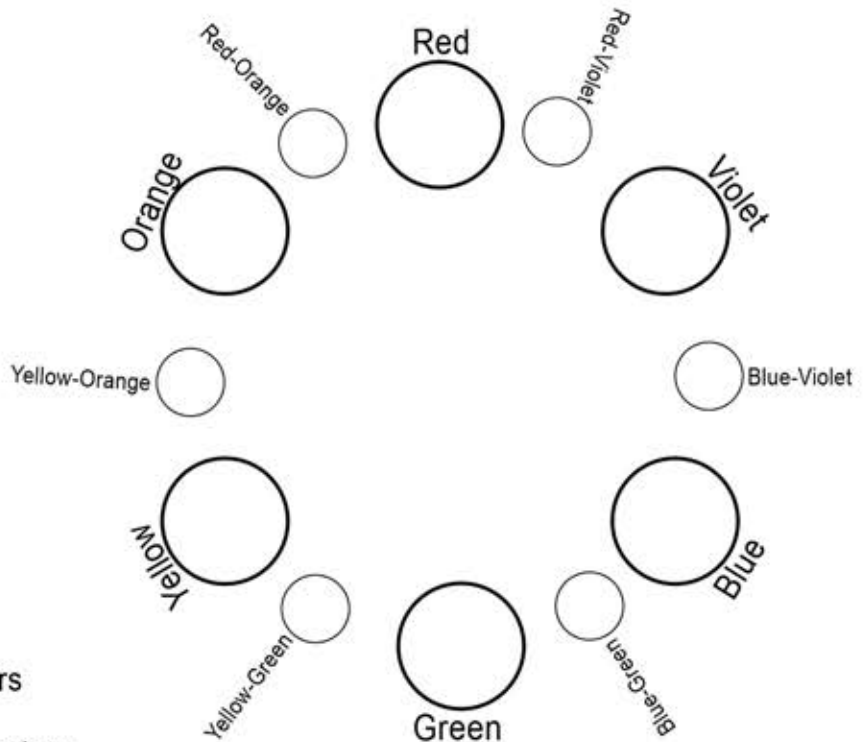

Primary

--	--	--

Secondary

--	--	--

Use PRIMARY and SECONDARY colors to fill in the color schemes to the left and the color wheel below. Tertiary colors must be mixed.

Complimentary Colors are pairs of colors that are opposites on the color wheel. Fill in and label the three Primary/Secondary Complimentary Pairs.

--	--	-------

--	--	-------

--	--	-------

Value Shifts:

Vary the pressure used with colored pencil to create six distinct different values using a warm color and then a cool color

Warm					

Cool
